If a course is a full-year course, list it in the first semester column with an arrow to the second semester column. **In order to better understand your wishes, prioritize your elective choices (i.e. most desired elective goes into the first elective space, second most desired choice goes into the second elective, etc.)** As much as possible, your elective choices on this grid will be honored. In the event, it becomes necessary due to master schedule constraints, your priority and alternative selections will be considered to fill your schedule.
