Schedule change requests must be made in writing to the student's counselor with a parent's signature by 4:30 pm May 28th, 2021.

Both student and parent should understand that courses selected are those that will be taken next year unless there is a scheduling conflict. Changes of mind or deciding that a course is too difficult may not result in a schedule change. Choose carefully and consider the workload that is required for multiple Honors, AP, G/T, and advanced-level courses along with work or extra-curricular activities. Scheduling of courses is based on initial choices and desired changes may not be available in the student schedule.
