Leadership Night

Join us for Leadership Night on Tuesday, October 5th to learn more about the 7 Habits and to have some fun with different activities revolving around the 7 Habits. We hope you will join us from 5:00-6:00 p.m.

News from Mrs. Landeros School Counselor

Guidance lessons will continue for the month of October. We will be discussing kindness and healthy life choices. I am here to assist your child with their social emotional needs so they will be successful in and out of the classroom. Please contact me by email at blande1@neisd.net or by phone at (210) 407-2628.

Habit 2: Begin with the End in Mind

Dellview Elementary is a Leader in Me Lighthouse School. This coming month we will be talking about Habit 2: Begin with the End in Mind. For our students, Habit 2 means I plan and set goals. I do things that have meaning and make a difference. I am an important part of my classroom and contribute to my school's mission and vision. I look for ways to be a good citizen. To Begin With the End in Mind means to start every effort with clearly defined outcomes. To Begin with the End in Mind, define outcomes before you act and create and live by a personal mission statement. By defining outcomes before we act, we ensure our efforts are truly effective. A personal mission statement is the end in mind for our life. It enables us to shape our own future, instead of letting it be shaped by other people or circumstances. You can also create a Family Mission Statement with your family at home!

News from Mrs. Nungesser Principal

Dear Dellview Families,

The first few weeks of school have been flying by! It is hard to believe we are beginning the month of October!

Our students have been busy learning and setting goals for our upcoming student-led conferences. Please be on the lookout for an invitation to your child's student-led conference. If you are new to Dellview, your child will be leading their conference in October and sharing all the great things they have accomplished. If you want to talk with your child's teacher individually, please schedule a time to do so.

Please continue to screen your child for any COVID-19 symptoms. If your child is not feeling well, please contact Dellview so we can help you make the best decision to send your child to school or to keep your child home. If children have a fever, they need to stay home from school, so they do not infect others around them. Let's all do our part!

As always, please let us know if we can help with anything. You can reach me in person, by email at knunge@neisd.net or by telephone at 210-407-2600.

News from Mrs. Martinez Family Specialist

We are starting our HEB PK Mommy & Me classes on Thursday, October 14th at 10:00 AM! If you have a 2-5 year-old that is not in school, this is the program for you! You will participate in educational stations and receive FREE books for attending! The child and caregiver must both be present during the workshop. Feel free to contact me at (210) 407-2622 or mmarti140@neisd.net with any questions. We look forward to seeing you in our upcoming parent sessions!

News from Mrs. Wenner Assistant Principal

Greetings Dellview Families! We are off to a great start this school year and getting ready for our "Almost Perfect Attendance" celebration for the month of September. Please help your child strive for this goal in October by helping them get to school ON TIME EACH AND EVERY DAY! As always, if your child is sick, please call the front office. Ms. Puente, our school nurse, will be able to provide medical guidance about keeping your child home. If you have any questions or concerns, please contact me at 210-407-2623 or cwenne@neisd.net.
