MCH Family Outreach

Methodist Children's Home Family Outreach, is a program that provides support to parents, grandparents, and foster parents. Case management can also be provided.

Superate y Triunfa Community Computer Classes

New to Walzem, this program provides free instruction of basic computer skills and finance. Instruction is given in Spanish!

Parent to Parent

This program shares practical ideas, proven techniques and solid resources to support military-connected families. All sessions are open to non-military families and community members.

The Basics

"The Basics" are steps that help children 0-3 develop a strong and healthy brain. There are five short videos within this session that will help parents practice these steps in their homes.

Have questions? Please contact the Walzem Family Specialist, Amanda Yruegas at 210- 407--8400 ext. 8425.
