Grades are provided to communicate a student's mastery of the content and skills outlined in the TEKS (Texas Essential Knowledge and Skills). Grade categories are as follows:

Daily Work 60%

Assessments/Projects 40%

Semester Exams 20%

Students wishing to complete an assignment after the deadline must make arrangements with Mr. Schweningen. Late work should be completed outside of regular class time, preferably during tutoring. Late work will incur a 20% penalty. Tutoring times are posted outside the classroom, beside the door.

Semester exam exemptions will allow all high school students with good attendance, behavior and academic performance to exempt up to three semester exams in any subject for each semester. Semester exam exemption guidelines will apply to all high school students who meet the following criteria:

Course Semester Grade Average	Number of Absences Per Course	Number of Tardies Per Course
95 or above	3 or fewer	3 or fewer
90-94	2 or fewer	2 or fewer
85-89	1 or fewer	1 or fewer
80-84	0	0

No exam exemptions will be allowed if:

- the course to be exempted is an AP course (no exemption for first semester only); students may exempt these courses in Semester two since AP testing will have occurred;
- the course is a Dual Credit or On Ramps course; students may not exempt the exam in these courses either semester;
- the student has received a “U” in conduct for the exempting course during the semester;
- the student has received a “No Credit” in any course for the semester; the student has been suspended off-campus, assigned to ISS II or sent to an off-campus alternative setting in that semester.

For further details about reteach/retest, credit protection please refer to the Grading System/Explanations in the NEISD Student-Parent Handbook. <https://www.neisd.net/cms/lib/TX02215002/Centricity/Domain/205/2019-2020%20Secondary%20Handbook.pdf>

Students may receive one of the following conduct grades on report cards: E (Excellent), S (Satisfactory), N (Needs to Improve), or U (Unsatisfactory). Conduct grades may impact eligibility for exam exemptions per district policy.
