Assignments: If a student is absent, it is the *student's responsibility* to get the work from the teacher and to arrange for tutoring to get caught up with the concepts the student missed while absent.

A student may come to tutoring to correct any test or quiz that has a score below a 70. The grade will be raised to a minimum of a 70, if the student passes the test or quiz. Please use the Parent Portal to track you student's progress and grade. A student has until the day of the test to turn in classwork and homework for full credit, after that the work is considered late and a grade of 80 % of the earned grade will be given. Exemptions will be considered on individual cases.

Supplies needed for class:

- Notebook
- 2 **pencils** for every class (Must be sharpened before class starts)

I will not accept work done in ink!!!

Tutoring:

I am also a coach, so I am only available for tutoring in the mornings. I am available any morning by appointment
